Every class offered which is covered by the rules and specifications of the current Equine Sports Council rule book will be conducted and judged in accordance therewith.

JUDGING

A single judge will be used for all classes.

DISPUTES

This show through its Protest Committee, consisting of three individuals, reserves the right to interpret all questions and conditions in regard to, or arising of, or incidents to the show without claim for damages or recourse of any kind. No dispute will be discussed while the show is in session.

HEALTH CERTIFICATE

All horses shipped into the State of Wisconsin must have the required health certificates issued by a veterinarian from the state or region. These must be available for inspection during the show and be in accordance with Wisconsin State Law. Negative coggins test required for each horse.

VACCINATION REQUIREMENTS

1. Horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhino pneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management when requested.

ENTRIES/POST ENTRIES/INCOMPLETE ENTRIES

Entries close May 4, 2023. Entries postmarked after this date will be accepted under the following condition: A post entry fee of \$25 per horse will be levied on each entry postmarked after May 4, 2023. If entries are received on or after May 22 the post entry charge is \$50 per entry. A horse entered by the closing date may be entered in additional classes provided the class does not have to be divided to accommodate it Post-dated checks are not acceptable. There will be a \$25 fee for all returned checks. There will be no exceptions to this rule. No telephone entries will be accepted. All e-mailed/mailed/faxed entries will not be processed until payment is received. A 3.5% charge will be made if credit card is used. The show committee reserves the right to decline any entry and return the entrance fee. This committee may prohibit any one from attending or showing a horse. It also may remove any owner, stable employee, or horse from the ring or grounds without liability.

\$15 charge for incomplete entries. Entries not containing all necessary documents to verify eligibility for horse/rider/ owner/trainer/handler will be considered incomplete. Copies of registration papers showing proof of current ownership, copies of current coggins, vaccinations and ASHA membership cards must accompany entry blanks, which must include the REQUIRED three signatures and complete addresses for owners and trainers.

COMBINING CLASSES

The horse show reserves the right to combine classes of the same division based on number of entries within a division. If this occurs, all entries in both classes will be notified by the show office. For example, Show Pleasure 13 & Under may be combined with the Show Pleasure 14-17 if there are a limited amount of entries in either of the splits to make one class. This will not be considered running two classes concurrently, but will be judged as one class.

REGISTRATION PAPERS

A copy of registration papers showing proof of ownership must be presented to the show office before the show number can be released. A photocopy of both sides of the registration paper must accompany each entry.

REFUNDS

Any exhibitor canceling any entry after May 4, 2023 forfeits the entry fee and stabling charge. During the course of the show, an entry fee may be refunded only if the horse is examined by the official show veterinarian. No refunds will be made during the show and no stall fees will be refunded.

STAKE AND CHAMPIONSHIP CLASSES

Listing in the show program does not constitute an entry. A championship entry must be declared and paid for in the show office before the horse will be permitted to show. This also applies to stables with open checks To be eligible to show in a stake or championship a horse or pony must be properly entered, shown and judged in a qualifying class in the same division. An exhibitor who qualifies more than one horse for a stake may elect to show only one horse back without penalty.

JACKPOT CLASSES

No qualification is necessary for any jackpot class listed.

OFFICE HOURS

The office will be closed one hour before each performance. Check posted office hours for additional closings.

SCRATCHES

It is the responsibility of the exhibitor to scratch an entry for a class in which he or she does not intend to participate. This includes stake and championship classes. A \$25 fine will be levied for failure to scratch an entry two hours before show time. If a class is split there will be a \$100 fine.

STABLING

Stalls consist of steel with reinforced plastic walls. There are stall doors. The cost of a box stall is \$175. Stalls will be assigned at the discretion of the show management. An early arrival fee of \$20 per stall will be charged. This must be paid at the time of entry. Each horse entered must have a stall. Payment for tack stalls must be received at the same time as payment of classes. You may order shavings, fiberboard or hay from Quality Feed & Bedding (920) 866-2459 / 920-362-1054. At show use 920-362-1053. **They will not be on premises Sunday May 28, order ahead.**

STALL PRIVACY PARTITIONS

A limited number of privacy partitions are available for rent for \$10.00/panel. Three panels will be sufficient to completely enclose a stall. The stalls in the New Holland Pavilion allow horses to see one another and potentially touch one another through the sides and back panels. The privacy partitions eliminate this and are very easy to use. You must pick up your own panels ordered.

WARM-UP AREA AND SHOW RING

The horse show will be held in New Holland Pavilion 2. The warm-up area will be 100'x200', the footing consists of dirt and sawdust. The indoor competition footing consists of dirt and sawdust and is 100'x220'.

CAMPERS

Parking of trailer, campers, etc., will be directed by the police department. A permit will be required to park a mobile home on the grounds. A \$25 charge per day will be made for this permit. See grounds personnel for parking permits.

DOGS

Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted.

AMERICAN SADDLEBRED HORSE ASSOCIATION

Every trainer and/or horse owner MUST be a current member of American Saddlebred Horse Association with copy of current card.
